

Request for scores

Most applicants have received their child’s profile score at the bottom of their outcome advice in July.

If you would like to receive further details of your child’s scores in the selective high school placement process, please complete this form and send it to the Selective High School and Opportunity Class Placement Unit. If sending by email a pdf format is preferred. Contact details are shown below.

Score details will be provided only where requests have been made on this form. (Note, where the original outcome advice does not contain the child’s profile score it is usually not possible to provide further details.

All score requests will be processed together at the end of July and at the end of each month until December.

Responses to frequently asked questions about the calculated profile score are on the Department of Education and Training website at:
