

How to join a Hand Crafted tour . . .

First, call or email us to check on seat availability. Because we limit tours to no more than eight people, they can sell out very quickly. If you confirm availability with us by phone or email, we'll hold your spot for a week while you send in the deposit.

Next, fill out the application in the back of this brochure and send it in with your deposit. Spots are not confirmed until we receive your application and the deposit.

We cannot accept credit cards for tour deposits or payment, so you'll need to send a check or money order made out to Hand Crafted Travel LLC.

Your deposit is completely refundable for any reason up to 14 days after we receive it. Beyond the 14 days your deposit is non-refundable.

. . . and what happens next

We'll send you confirmation and a receipt for your deposit, along with some other information about your tour and some forms that you need to fill out and return.

Included will be information about the best places to fly into and out of for your particular tour. Contact a travel agent or fire up your web browser and book your flight to Europe. If you plan to arrive a few days early or stay on after the tour, we can help you with you pre- and post-trip plans.

Periodically we will send you information about the places we'll be visiting, including a list of books and movies to get you in the mood and ready for travel.

About 90 days before your trip start date you'll receive a detailed tour handbook, which includes a list of the hotels we'll be using and information on meeting the tour in Europe, as well as sightseeing information, restaurant and other free time suggestions.

Included will also be an invoice for your final tour balance, which is due no more than 60 days before the departure date.

Fly to Europe, where you'll eat, drink, laugh, learn and come home with a lifetime of memories.

I don't want to be part of the herd!
