

Email User ID Consent Form

TICKET NUMBER TRB _____

(agent submitting your request should give you this info.)

Please sign and complete the following information and return it to our office via Fax or US Mail. Once the completed form is received, a Time Warner Cable agent will submit a request to transfer an email user name to the requested account. The transfer of email user identities does not allow merging of the existing email identities on the receiving account. When the transfer is complete, the existing email accounts on the receiving account will be deleted and only the transferred items will remain on the account.

I _____, owner of account number _____ hereby
(This is the account where the email currently resides...the FROM account)
