Junior Auxiliary of Hattiesburg is a nonprofit organization whose members are dedicated to enhancing the quality of life for Hattiesburg area children and their families.

Recognizing education as a means of improving the quality of life, we are awarding scholarships to qualified students from the Forrest and Lamar county area schools to pursue their education after high school.

Scholarships are awarded based upon the applicant's qualifications. As a service organization, we especially encourage those students who have demonstrated active involvement in community service through school, church or other service-oriented groups. Students with career goals in service-oriented areas will be given special consideration. The applications will also be reviewed with sensitivity to need and academic achievement.
