Atlee High School and the Atlee High School Athletic Boosters Club recognize the contributions of all its athletes throughout its history. It is the mission of the Athletic Wall of Fame Committee to induct over a period of time all deserving athletes and contributors to the athletic program. It is not necessarily the intent or mission of the committee to determine the best athlete or athletes in a particular sport or in the athletic history of the school. The order of induction is not an indication of an athlete's value or worth as a player or person.
