Lone Star College System is committed to the principle of equal opportunity in education and employment. The system does not discriminate against individuals on the basis of race, color, gender, religion, disability, age, veteran status, nationality, sexual orientation, or ethnicity in the administration of its educational policies, admissions policies, employment policies, scholarship and loan programs, and other system or college administered programs and activities.

Inquiries concerning LSCS's policies, compliance with applicable laws, statutes, and regulations (such as Title VI, Title IX, and Section 504), and complaints may be directed to the associate vice chancellor for human resources and diversity, 832.813.6646. The associate vice chancellor for human resources and diversity is designated as the system's equal opportunity officer and Title IX coordinator. Inquiries about the laws and about compliance may also be directed to the assistant secretary for civil rights, U.S. Department of Education.
