

Splish Splash Splodge

During Splish Splash Splodge sessions we aim to provide preschool family learning through messy play in a safe environment.

We will always aim to provide a place where:

- Parents/carers and children have fun experience and learn through the messy play and circle time provided.
- Parents and carers enjoy developing local friendships and support in a warm, relaxing and caring environment.
- Babies and Toddlers have open access to fun and stimulating learning through messy play and their own exploration.
- Everyone feels valued and can get involved as much or as little as they like.
