

**Empire High School
Senior Exit Project**

**Practicum Verification Form
Due on Tuesday, March 29, 2011**

The Senior Exit Project is an opportunity to learn about and experience working in the field you plan on pursuing after high school. To gain a well-rounded understanding of both working in the field and training to work in the field you will need to spend time in both arenas.

Please demonstrate your completion of BOTH the career field practicum and the training portion of the practicum by having your mentor and trainer complete the form below. If you are trained by your mentor, the training and shadowing portions of your practicum must still be **verified separately**.

Career Field:

I spent _____ hours shadowing with _____ at

_____.

Mentor Signature

Training:

I spent _____ hours in training with _____ at
