 Use of your social security number (SSN) is mandatory to process your application or claim. It is used in the mechanized travel advance data system, in addition to your name, as an identifier to assure crediting advances and reimbursements to the right person. Your providing your number will facilitate faster, more accurate processing. If you do not provide your SSN at this time, it must be researched manually with attendant delay, and with the possibility of errors if your claim is confused with that of another person having a similar name. Completed forms are subject to audit by the U.S. Department of State and General Accounting Office.
