Liberty Living
for Students

The Application Process

Step One – Applying for Accommodation

- You should now have received or downloaded a Booking Information pack (this document). To apply for accommodation at your chosen Liberty Living residence you need to complete and return this document to our Residence Team. **Please be aware that although Glamorgan University have reserved 450 rooms at Ty Pont Haearn it is a very popular property and we cannot guarantee every applicant will get a room.**

Step Two – Allocating you a room

- Once the above documentation has been received by the Residence Team, your application for accommodation will be held at the residence awaiting confirmation of your place at University. Please be aware that all applications for accommodation are processed on a first come first served basis.

Rooms will be offered on the following two factors:

1. Date of which we receive your application.
2. The date that your place at University has been confirmed through UCAS.

Please make sure that you read all of the information thoroughly and be careful to complete the documentation correctly. Incorrect or incomplete documentation may jeopardise your chance of securing a room.

- Your room will be allocated once your place at University has been confirmed (**if you have a confirmed place at University please send a copy of your UCAS letter with this document**) and will be based on the information you have stated in your Booking Information document (this document). Where possible, we will take into account the preferences you have stated; however, requests cannot be guaranteed.
- On confirmation of your place at University, you will be sent a copy of your Assured Shorthold Tenancy Agreement (AST) (detailing the room / flat number you have been allocated) together with a Payment Method Form. Both forms must be completed and returned to the Residence Team within 5 working days.
- We will send you a letter containing some useful information to help make your stay at Liberty Living as comfortable as possible. The letter will contain details including the best time for you to move in and what time the on-site office will be open at your chosen Liberty Living residence. **Please note that once you have signed and sent back your Tenancy Agreement to the residence, you cannot then move to another Liberty Living residence unless you find a replacement tenant to take on your contract. There is also a cancellation charge of £100.00. Please see cancellation Policy.**

Step Three – Moving In

- On arrival at your accommodation you will be issued with a 'Welcome Pack' which will contain your keys / entry card and a Guide to Living in our accommodation. It is important that you read and understand all of the information provided.
- In the event that you cannot make the time / date listed on your arrival letter, please contact the Residence Team A.S.A.P. to make alternative arrangements. Contact details are listed within this document and can be found on our website - www.libertyliving.co.uk

Please note: If we are missing important information required to complete your application for accommodation, your documentation will not be processed and will be returned to the address you have provided to us. This could affect your room allocation.
