**Special Instructions:** \_\_\_\_\_

<sup>1</sup> For new artwork files, contact Customer Service for custom artwork number, lead-times, and cost.  
<sup>2</sup> Cards ordered with plain white front and back packaging, with no HID artwork or with custom artwork, will still have a small "HID logo" and reference number printed in the lower left-hand corner and a slot punch target printed on the back of the card.  
<sup>3</sup> The external card number is placed in the bottom right-hand corner on the back of the card.  
<sup>4</sup> Cards are provided with an optional slot punch at no additional charge. Some video imaging printers cannot accommodate pre-slot punched cards. Please consult with the printer manufacturer prior to ordering.  
<sup>5</sup> For Laser Engraved external numbers, consult factory for lead times and cost.  
<sup>6</sup> Programmed as a sequential 12 digit number.  
\* The composite construction is recommended for all cards that will have an over-laminate applied.
