

GRANDPARENTS and SPECIAL FRIENDS DAY

Dear Lower School Families,

Grandparents & Special Friends Day will be held on Friday, April 15, 2011 for Kindergarten–Grade 4.

We will mail invitations directly from school after we've received your information. Please note that we only send invitations to people you name on this form – we do not automatically mail invitations to every grandparent in our database.

If grandparents are not able to attend, please include the name and address of a special friend you would like invited. This could include a relative, neighbor, godparent, etc.

Thank you for helping make this a special day for your children!

**Please return the form below by Friday, March 11 to Joe Pace,
McLean Development Office. You may also fax this form to 301.299.1639.**
