## *Pre-employment Fitness Assessment Questionnaire*

### *Strictly Confidential*

The purpose of the questionnaire is to satisfy the obligation we share with you, which is to try to ensure that the work you are applying for will not be detrimental to your health and that you, in turn, are not likely to be a health risk to Resident and colleagues.

The questionnaire seeks personal sensitive data regarding your physical/mental health. This information will not be used in order to select individuals for employment, but may be used in order to verify the safety of proceeding with either an application or a job offer.

You are therefore requested to complete this form, and sign it. This will indicate your explicit consent to the collection and processing of such data in accordance with the principles of the Data Protection Act.

**Thank you for your co-operation.**
