Reference Statement Guidelines

Leaving a Legacy of Learning Opportunities

For more than 60 years, Warren & Velda Wilson worked the soil in south central Nebraska. The land was good to them and they enjoyed a productive, prosperous lifetime together.

They had no children of their own, but the Wilson's had a keen interest in the boys and girls growing up in the rural areas and communities around their home in Clay County. They also understood that the education of these young people was the key to a brighter future for each of them as individuals and for the area in which they would build their lives.

Prior to their deaths (Warren in 1997 and Velda in 2002), the Wilson's decided to share the successes they had enjoyed in their lifetimes with those who would follow them.

The Warren & Velda Wilson Foundation was established in 1990. Its sole purpose is to provide scholarships for young men and women from central and south central Nebraska to attend college in Nebraska.

Through their Foundation, Warren and Velda Wilson have left behind a legacy of educational opportunities that will live on for generations to come.

Warren & Velda Wilson

Several factors will be considered in awarding the scholarships. In a 1992 letter, Mr. & Mrs. Wilson were emphatic in their ideas of how scholarship recipients should be chosen. They said,

"It is our desire that these scholarships not be limited to graduating seniors with only the highest level of academic achievement. Other factors are also important to us, including good citizenship, involvement in school and community activities, and potential for future academic success. Students with lower levels of academic achievement in high school should not be excluded from consideration if they are able to demonstrate strength in one or more of these other areas."

A selection panel consisting of 3 individuals will review the application. The scholarships are rated as follows:

20 Points for Community Involvement, Volunteerism & Church Involvement

20 Points for Involvement in School & Extra-Curricular Activities

20 Points for Employment History (paid or non-paid jobs)

15 Points for Motivation & Desire to Succeed

15 Points for Need

10 Points for Academic achievement
