

Publicity Permission Form

Informational technology has drastically altered teaching, learning, and school administration. Calvary Christian School is seeking to use an electronic format as much as possible. The school's website www.calvaryskids.net is a wonderful venue for keeping parents and the community informed of the activities of Calvary Christian School. The school searches for the best media to showcase the accomplishments and achievements of our children.

Periodically, we would like to post pictures of the students on the website, include them in our yearbook, and submit them to our local newspaper. If you would grant the school permission, please sign and return the form below.

Thanks,

Calvary Christian School
