

Hours	Activity Type	Activity Description
	<p>Communicate: <i>Preach, teach or share in some aspect of the ministry of your ministry placement.</i></p>	
	<p>Listen: <i>Spend an hour with one of the persons "being ministered to" at your ministry placement. Hear their story, their hopes, their fears, their gifts. Just ask questions and listen. Share your own story without preaching. The goal is to affirm them by actively listening to their story.</i></p>	
	<p>Watch: <i>Position yourself where you can observe the ministry—the ministry providers as well as those being served. What do you notice—facial expressions, posture, touching, attitudes. Be intentional about this. Choose one or more 30-minute blocks of time when you expect to see a lot of traffic.</i></p>	
	<p>Worship: <i>Attend and/or participate in a worship service held at your ministry placement. If the ministry does not have worship services, attend a worship service in another cross-cultural setting.</i></p>	
	<p>Mobilize: <i>Invite and bring a person or group from your local church placement to serve with you at the cross-cultural ministry placement (a Sunday school class, small group, etc.)</i></p>
