UNCONDITIONAL RELEASE
AND HOLD HARMLESS AGREEMENT

I desire to participate in various programs, events, activities or service projects (each, an "Activity" or "Activities") sponsored, organized or operated, at least in part, by Community Threads, Buffalo Grove, Illinois ("CT"), and I understand and acknowledge that CT will not allow me to participate in the Activities unless I first release and hold harmless CT, its directors, employees, volunteers or other agents from and against any damage and liability relating to or arising out of my participation in the Activities;

I understand and acknowledge that my participation in an Activity exposes me to various risks, and I have considered these risks and possible dangers involved. Specifically, I understand and acknowledge that my participation in an Activity exposes me or an immediate family member to such risks as accidents, disease, crime, political unrest, personal injury or bodily harm, emotional harm, loss/theft or damage of personal property, imprisonment, abduction and other calamities, even death ("Injuries"), regardless of whether the Injury is caused by me or by other volunteers, CT staff or guests or other persons, or whether the Injury occurs on or near CT property or in connection with my travel to or from the Activity.

THEREFORE, in consideration of the permission extended to me by CT through its directors, employees, volunteers or other agents to participate in an Activity I,

_____, for myself and for my heirs, legal guardians or representatives, successors and assigns (collectively, "Representatives"), agree to UNCONDITIONALLY RELEASE AND FOREVER DISCHARGE CT, its directors, employees, volunteers or other agents from any and all claims, demands, and causes of action of whatsoever nature, whether for compensatory or punitive damages and whether based on a tort, contract, statute or other theory of liability, which I or my Representatives ever may have against any of them on account of or related to such Activities or my participation therein. I hereby assume any and all risks associated with my participation in and with any travel related to such Activity, and I unconditionally agree to hold CT, its directors, employees, volunteers or other agents blameless for any liability concerning my personal health and well being, or any Injuries incurred while participating in an Activity.

I have carefully read the foregoing, and I understand that my signature constitutes a full and complete release of CT, its directors, employees, volunteers and other agents and an agreement to hold such parties harmless from any liability for all Injuries incurred while participating in an Activity. This Release is binding on my heirs, successors, and personal representatives.
