

African American Studies & Research Center

Building an Intellectual Community for the 21st Century

Graduate Students in good standing at Purdue University are eligible to apply for assistantship support through the African American Studies and Research Center.

Application forms are available at the AASRC office, Room 6180 LAEB.

To apply for funding, submit the following information:

1. Application for Graduate Assistantship
2. Cover letter – Please address the following questions in a letter to the Director – AASRC:

Why are you interested in a graduate assistantship in African American Studies? How would this assistantship fit into your academic and career plans? What special strengths, perspectives or other contributions do you feel you would bring to the Program?

3. Letter of recommendation – to be sent by your major professor or member of the AASRC faculty.

Submit application materials to:
